DENTAL CLINICS IN HUNGARY FORM NEW ASSOCIATION

06 November 2009

CURRENT TAGS:

COUNTRY: [Hungary](#)

TOPICS: [Associations](#), [Quality and standards](#)

SECTORS: [Dental treatment](#)

Hungarian dental clinics that have many years of experience and treat thousands of medical tourists a year, have got together to keep Hungary as a leading dental tourism destination, as newer and less qualified locations seek to take their business away. They want to work with and get more support from their country's government departments and tourism organizations.

Hungarian dental clinics that have many years of experience and treat thousands of medical tourists a year, have got together to keep Hungary as a leading dental tourism destination, as newer and less qualified locations seek to take their business away. They want to work with and get more support from their country's government departments and tourism organizations.

The Association of Leading Hungarian Dental Clinics (ALHDC) seeks to promote Hungarian dental tourism while committed to providing a high standard of ethics and professional conduct of
